VOLUNTEERS! THANK YOU FOR YOUR GENEROUS HELP!

It is said “Volunteers are the heart of an organization!” ORGC volunteers give up countless hours of their time to take care of the many items on the club ‘to do’ list. At orientation, you were asked to contribute 8 hours of time during each membership year. Your eight hours can be spread over time, or in one Saturday. We presently have a core group of consistent volunteers, and a seeking others to become part of the pack!

Here are a few of the jobs you could help fulfil during your 8 hours:

- Constructing & repairing target stands
- Straightening the equipment
- Landscaping and weed removal
- Painting (building, walls, targets)
- Cleaning the clubhouse
- Step up for USPSA & Rifle Matches (even if you don’t compete it’s fun to help with stage set up)

Contact Club Chairman Steve Verdi to assist 585-739-3195

Heidi Levan in the Ranger hauling equipment for Tuesday Night, and John LaMarca painting USPSA targets for the Dale Prindle Match.

Dale Prindle Memorial Match

Fun for a Good Cause

The annual match is the keystone event of ORGC's Veterans Fundraising initiative which provides 100% of the proceeds to serve local veterans of VOC Rochester, Williamson Post #395 Legion Riders and the ORGC Veterans Benevolent Fund.

It was a sloppy wet set up on Thursday and Friday, but pure sunshine on Saturday and Sunday that lasted just long enough to get the stages down. Thank you to the fine crew who helped Match Director Keith Bourgeois bring his stages to life. It could not have been accomplished without the dedicated volunteers who hauled, hammered and the awesome competitors. You can see all the results on Practiscore Match Results. Thank you to all the competitors. It was a great match!

Day One Results: 1-Jim Civitello 2-Tim Friday 3-Eli Saber

Day Two Results: 1-Jim Civitello 2-Eli Saber 3-Robert Hilfiker

MANY IMPROVEMENTS COMPLETED

Grading was completed on the East Bay, West Bay and Rifle Bay and gravel was added to improve drainage. The road to the bays was also compacted. The East parking lot was restored to the original footprint after years of weeds tried to take over. All of this under the supervision of Bill Verhagen, who is the master of site drainage, and assured the drainage fulfilled their purpose with a little encouragement from his trusty shovel! Thank you!

After letting the trap fields settle it was finally time to cut. Bodhan Ersteinuk tackled the project with our thanks. The new mower is ready to use on the grassy parts once they dry out.
